Content of Request

To the brother, the wali of al-Raqqah, may God preserve you. Peace be upon you, God’s mercy and His blessings. And as to what follows:

Our sheikh and brother, the wali, [this letter] is regarding your response to my letter regarding my overnight staying at the headquarters and your refusal to agree to my night rest at home, which is a great hardship for me, and the Messenger of God, may God’s prayers and peace be upon him, says: (O God, cause distress to him who has any charge over my people and causes them distress.) We ask God the Almighty that you will not be among those who cause distress to Muslims. I ask you, by God, my brother, to not cause distress to me, because I cannot sleep in the headquarters, because the high blood pressure pills and chronic arterial tension lead to frequent urination, and sometimes I have to have a catheter. I ask you, dear brother, to reconsider the matter of my resting at home at night, because I am obese and weigh 144 kilograms, and God Almighty has afflicted me with this disease, so pray for me to heal. And I want to be among those who hear and obey to God, His Messenger and the rulers, and you are our brother, so help me to obey you.

And may God reward you the best.
