

In the name of Allah, the Gracious, the Merciful

Peace be upon you, Gods Mercy, and His blessings.

All praise is to God, the Mighty, the Strong, and may blessings and peace be upon the seal of the prophets.

To the brother, the wali, may God preserve him.

I am, the salve of God, Abu Muhannad al-Ansari. I work at the Office of Public Relations and Tribes. I am 50 years old.

In view of the statement regarding the Wilaya Battalion, addressed to all centers and offices in the wilaya, the emir held a draw to determine who would go to the Battalion. Then I and brother Abu Ya'qub al-'Iraqi were picked by the draw.

I suffer from the following diseases:

- 1- Disc operation in 2009.
- 2- Expansion and installation of a cardiac net in Damascus in 2010.
- 3- An inferior descending artery net in Mosul, by the Diwan of Health in 1437.
- 4- Diabetes mellitus.

Knowing that the five brothers who were included in the draw are all sick and elderly, and the number of brothers in the office is 9, except for the emir.

Attached: Photocopy of the medical reports.

Please look into the matter and advise.

May God reward you the best
Abu Muhannad al-Ansari
