Text of the complaint

All praise is due to God.

The person named Abu Abdullah works at the Church location in al-Shurtah Neighborhood. He owns a Kia pickup truck. He hires someone to drive it without paying him. He also cut off our livelihood, for he transports furniture and other goods with his truck and would not allow any of us to be hired, even if his truck was outside the area. He would make the people wait until his truck returns so people would hire his truck only. This is cutting off our livelihood. When we objected to his actions, he said, "Go complain wherever you want. I want to cut off your livelihood."

Note: The complaint will not be taken into consideration if the complainant does not mention his information.

The matter has been investigated. Brother Abu Abdullah does not work in goods transportation, and the brother emir of the Diwan ordered him to move the Kia pickup trucks away from the headquarters.
