I have a Kia car, working on al-Shiqaq route, and I have a driver working on it. The driver told me that the brothers asked him to bring the owner of the car. So I went to speak to the manager of the car garage. He said to me, "Go to Abu Saif." I went to Abu Saif, and when I asked him, he immediately said, "Go and come back tomorrow." I said to him, "Wait a minute, I just want to understand the rules." He said, "Go and come back in 3 days." Three days later, I went to him and said, "Three days are over." He said, "Go and come back after a week." I said to him, "You have cut off my livelihood ..." [end of the page]
