The memo of the Central Office of Grievances No. (389/10) on (27/10/1437 AH) [1 August 2016] It includes the grievance of the Indonesian brother, Ibn Hajar al-Indonisi, over the failure to transfer him to a battalion in which there are brothers who speak his language, since the battalion in which he is currently present does not have Indonesian brothers. [We want you] to investigate and decide on the matter and hold the negligent accountable. May God reward you the best.
