Subject/ A Complaint

I am sister, Umm Abdullah. I work at the Al-Jimhuri Hospital – Burns Department. On Monday, 24/9/2016, at 7:30 AM, and on my way to the hospital, at the Stock Market, a traffic police asked me to pull over. He asked me for the car paperwork. I told him that it's my husband's car and I don't know anything about it. I told him that my husband works with the Islamic State. Then I searched for paperwork inside the car and I found a registration for another car. Then he issued me a receipt and told me that this registration is for another car. I took the receipt and said, "God is the Most generous" [sometimes this expression used as a sign of a complaint]. The brother in the traffic police said, "You don't have manners." I answered, "Sufficient for me is God; there is no deity except Him." He said, "I'll confiscate the car, but because you are a woman, I will not do it." Then, I left. Please take my complaint into consideration.

And may God reward you the best.
