O our sheikh, if this matter happens in an Islamic State that rules by what God has revealed, what would happen in a country that does not rule by what God has revealed?

O our sheikh, we have no one to seek help from after God but you. If it was trampled on us in a state, God forbid that this be here in the Islamic State. We will stand before God Almighty, and you will be asked about us on the Day of Resurrection.

All of you are guardians and all of you are responsible for your subjects, and may God guide you to achieve what pleases him.

May God reward you the best.
