Fatwa number: 46

Date: 25/2/1436 Hijri [18 DEC 2014]

Question: what is the ruling on the issue of some of the wives of martyred brothers who travel with the children of jihadists to territories of Disbelief?

Answer: it is forbidden to travel with the children of jihadists and others to the territories of the infidels and to reside there as Allah prescribed a punishment to those who evaded Hijrah [migration to the territories of Islam], followed by verse from Koran to support the viewpoint. The fatwa also includes the Hadith of Jarir al-Bajli and al-Shukani that it is forbidden to live among the infidels.

There is no doubt that it is a great sin for those who lived in the territory of Islam, then migrated to the lands of the infidels. Hence, it is not permissible to take the son of the jihadist to the territories of the infidels. Therefore, she who insists and acts on it shall be prevented, blamed, and shall suffer the consequences of the misdeeds .

This includes: the son of righteous soldier living in the land ruled by tyrannical idolaters who may one day become a soldier in the devil's army and Allah knows best.
