

In the name of God the most Merciful, the most Compassionate  
The Islamic State of Iraq  
The Borders Emirate

The Mujahidin Shura

The following are a few issues about the Borders Emirate.

First: We need to be more careful with money matters; the money of Muslim people requires more attention to scrutiny.

Therefore, we are responsible for the property of the Borders Emirate and have decided the following:

- 1- For every amount paid out of the Muslim people funds, the recipient is required to provide two signatures, in his own handwriting, one for receiving the money and another one to show how the money was spent.
- 2- Every brother is accountable in front of God, his case, no matter how small, will be tried by the Emir and then by the religious law committee, in order not to be held accountable in front of God.
- 3- All properties, small and large, will be inventoried, a report will be kept. We will keep a copy of the report, and all changes will be annotated from the previous report.
- 4- Monthly salaries and assistance will be carefully accounted for, and they must be consistent among all member of the Borders Emirate.

Second:

- 1- Every brother entering the Islamic State of Iraq will provide all information according to standard procedures; they will be specified later.
- 2- Every brother leaving the Islamic State of Iraq will provide all information according to standard procedures.
- 3- The brothers will be deployed to all sectors; every brother should know his destination.
- 4- All brothers under the Borders Emirate will provide all required information no matter where they actually work.

[T.C: Third is missing]

Fourth:

- 1- One of the brothers will be in charge of weapons; he must file a report every Wednesday.

- 2- Every brother is responsible for his own assigned weapons; he will be punished for any abuse.
- 3- Every brother will declare the amount of weapons [ammunition] in his possession.

Fifth:

- 1- Every brother is required to file a weekly report to the Administration Office of the Borders Emirate by Thursday at the latest.
- 2- Headquarters of the Borders Emirate will hold a monthly meeting.
- 3- All information must be downloaded to a USB – Flash and send to Headquarters every week. All information will be erased due to its high danger
- 4- All information will be kept in a remote and secure location, along with the passports and other documents.
- 5- All downloaded information will be encrypted.
- 6- All electronic items will be sent to the security brothers for inspection.
- 7- The original copies, according to standard procedures, no matter how small, must accompany all reports sent to Headquarters.
