Content of Request

To the brother, the wali of al-Raqqah, may God preserve you. Peace be upon you, God’s mercy and His blessings. And as to what follows:

I am Dr. [redacted]. I was pregnant and at the end of my pregnancy I fell ill, and I requested an official leave several times, but the hospital administration or the emir of the Medical [Center] did not respond to it. Because of my health condition, I was performing caesarean sections in the maternity hospital while I was sitting on the chair, knowing that I do not work in the [illegible] hospital because of the remoteness of the area and my health condition.

When I could not work, the emir of the Medical imprisoned my husband because of my absence from work. When I met him, he said that there is no leave until after the birth and for a month only. Note that it is not enough for me.

After my delivery in a caesarean section on 9/6 last month, the hospital cut off my leave and told me that it expires on today 4/7. A month has not passed since my birth, my baby is small and I breastfeed him and my place is far away and I cannot bring him to the hospital.

And may God reward you the best.
