I tried to leave outside the [Islamic] State.
I was arrested by the police and they took my money, my family book and my ID.
We presented the case to judge Abu Ma'an, who dismissed the case, and he told us: "Go and take your deposits."
We went to receive the deposits but they were lost or missing.
I want my belongings from the Singa police.

The judge's instructions:

I, Abul-Laith, spoke with the Singa police, and brother Abu Bassam replied that all the deposits had been lost, including the depositories of the complainant and the matter is under investigation.

We are waiting for the investigation and follow up.
