Content of Request

To the brother, the wali of al-Raqqah, may God preserve you. Peace be upon you, God’s mercy and His blessings. And as to what follows:

I am brother Abu Islam al-Tabaqawi. I [took a course] in the Shari’ah camp in Raqqah for 25 days and military camp in Hama for 34 days. We were 37 brothers and 30 brothers graduated. Then, [The trainer] said we will redo the camp. Then, he imprisoned us in a small cell where I could not sleep as we used to pee and pray in the same place. He used to beat us for no reason, and he kept the food outside for several days until it was spoiled and mold appeared on it, then we ate it. He used to say while eating that he was an American and his name was Abu Islam. Abu Jum'a used to talk to the brothers about the button [suicide operation], saying that it is mandatory, as the brother is placed inside the car and closed from the outside by welding, and it may be remotely directed for those who do not know how to drive. The name of the battalion is al-Sibtayn.

We kindly ask you to read this topic, regarding the trainers, and on the issue of whether I will redo the camp or I will be sorted, knowing that the memo was regarding the sorting.

And may God reward you the best.
