Since we were mobilized by the Commander of the Faithful to wage jihad in the Wilayat Raqqah, we responded to the call and asked the wali of Homs to send us there. After our request, we were sent to ‘Umar Ibn Al-Khattab’s Division, where we presented the memo to them a month ago, but they said, “Go to your homes.” And every day they say tomorrow and this situation continued for a month. Then, they said, “We lost the memo.” I went to the wali’s office to complain about them, but no response came from the wali’s office. We ask that you look into this matter and respond quickly.

And may God reward you the best.
