

I, [REDACTED], Born in: 1992, Profession: None. Phone number: None  
Live in: [REDACTED].

Represent before you the following: Case No. 52 on June 30, 2014. I submit to the Diwan of the judge of the Wilayah in Manbij with the information available to me in the summary of this case regarding the vacant lot of land located east of my house No. 1557. The person who previously put his hand on it is called [REDACTED]. Note that I have paid its value and paid the transfer fee, but the Manbij City Council did not agree to transfer the piece of land to me. It was acquired by Resolution No. 1546 on September 10, 2012, and the land became public property of the Islamic State, since the defendant, [REDACTED], did not present any documentation proving his ownership of the land prior to the Islamic Jihad.

What is required is either to transfer the ownership of the land to me or return its value to me. May God reward you the best.

Note that I filed a lawsuit and the record of the case is in al-Bab at Abu Zubair's [office].
