Text of the complaint

I own the house located north of the railroad, next to the Abu Ja'far al-Mansur school. The house is well known under the name Ahmad al-Barhawi and the house is a violation. I'm a farmer and I come to the house every 10-15 days. About 4 days ago, I came to the house and I found out that there are workshops operating in the house. The people in charge told me to ask Abu Muhammad al-Furati. They claimed that they rented the house. I contacted him, via the phone numbers provided to me by the workshops' workers (261987 – 247551 – 246686), but no one answered. Knowing that I have complained at the Northern Sector, and the policeman brother told me after he was informed by him, but refused to inform me, that I should not go back to the house again. He kicked me out and now I come to the Complaint Office of the Real Estate to solve the issue.
