

In the name of Allah, the Gracious, the Merciful

All praise is due to God, and peace and prayers be upon the Prophet of God.
To the brother, the mujahid, the wali of Raqqah, may God help him,
Peace be upon you and God's mercy and His blessings.

Subject/ A Reminder

We would like to remind you that the city police investigation is under the authority of the police of the center and not the sector. Therefore, we think that this complaint should be sent to the police of the center, and God knows the best.

We ask God to grant us and you success.
