Content of Request

To the brother, the wali of al-Raqqah, may God preserve you. Peace be upon you, God’s mercy and His blessings. And as to what follows:

I’m [redacted]. I’m 70 years old. On behalf of myself and my family, I file a complaint to the wali brother against the defendant Tallas Abu Sufyan, who broke into my house at 11:30 PM. He pointed his weapon at our heads, as a member of the Islamic State. Me and my family were asleep at night, and he terrorized us with his weapon and without previous permission. He took the car keys from Ahmad’s wife, by force, after entering the house, beating Ahmad in front of his family, and handcuffing him. He’s been driving the car around in the Kasrat Faraj village. He says that the Islamic State confiscated the car. His name is Tallas Abu Sufyan. He claims that this car is used to smuggle common Muslims to Turkey, but this claim has no bases and is without any proof.

We ask God and the sheikh wali to return this car, knowing that there are 14 members in this family and this car is the livelihood of this family.

And may God reward you the best.
