**Subject: A Report about a Trespassing
To: The Sheikh Wali (May God Preserve You)**

Peace be upon you, God mercy and His blessings,

Our dear sheikh, we would like to file a complaint with you regarding the brother, the emir of the Judiciary and the Judge of Grievances, brother Maysarah al-Jazrawi. He interfered in one of the properties that were disbursed as housing for the two families of two brothers, namely brother Abu Dawood al-Maghribi and brother Abu Anfal Markazia, which was allocated by the Real Estate Center. It was approved by the deputy [wali] brother, Abu Yahya Al-Maghribi. Knowing that the house is large and we have divided it into two properties to fulfill the purpose.

Then, brother Maysarah al-Jazrawi gave this property to brother Abu Usamah al-Jazrawi (al-Da'awi), knowing that he is not married. This Abu Usamah trespassed on the structure of the property, as he demolished the wall that we built recently and broke the locks that Abu Dawood put in his house and Abu Anfal's locks, knowing that some of their furniture existed in the house. He claimed that brother Maysarah had told brother Abu Usamah that the house was not inhabited for two weeks. Thus, you can enter it, and if you do not find furniture (then seek help from God and enter it).

And therefore, brother Abu Usamah entered, demolished the wall and did what he had done in the property, knowing that this complaint is supported by brother Abu Dawood al-Maghribi and brother Abu Anfal.

Knowing that Brother Maysarah has previously stated that he does not want an ansari [local IS fighter] next to him or an immigrant brother who has many guests, and that he will select those who are next to him.

We are asking you to refer to a Shari'ah court and return the right to its owners. As for us, the Real Estate [Center], we hope from your honor to punish the violator and put a deterrent to all the abuses that occur in the Real Estate by anyone, in the interest of work, to prevent selfishness, and to making each Diwan perform its duties without interference that obstructs the process of building the State.

The matter is up to you, and may God help you in what you have been entrusted with.
