In the name of Allah, the Gracious, the Merciful

All praise is due to Allah, the Mighty, the Strong, and may blessings and peace be upon the one sent with the Sword as a mercy to the Worlds.

As for what follows:

To: The brother, the Judge of Grievances

Subject: Transfer a grievance

In response to the grievance of [REDACTED], regarding the confiscated property in the Abul-Hasan area, the al-Jazirah Western Sector, the brother in charge of the real estate the al-Jazirah sector, Abu 'Uthman al-Karbuli, was assigned to investigate the grievance. The response was that one of the common Muslims, among the neighbors of the property, [REDACTED], testified and swore that [REDACTED] had been living in the mentioned property for 15 years and that he did not know if there was any sale or purchase between him and [REDACTED]. He did not know if he built a second floor of the property. Also, a second neighbor of the property was questioned, who is the cousin of [REDACTED], [REDACTED], and his response, after the oath, was that he was in Kuwait and he came from there and found [REDACTED] living in the house because his uncles gave it to him because he does not have a house to live in. After that, documents were requested from [REDACTED] to prove buying and selling, but nothing came to prove this except for financial receipts to one of the Kuwaiti banks, which we do not know how true they are and for what they were used. Therefore, the confiscation is proven.

And to God belongs all matters before and after.
