Subject: A response to a grievance

We inform you that the person named [REDACTED] is an apostate, who works in the military in Bahrain and has a property that was confiscated based on the judge's ruling. When the property was confiscated, we found the apostate's brother living in the property and his name is [REDACTED]. He claimed that the property belongs to him and not to the apostate named [REDACTED] however, the witness brothers, Abu Hajar Mahkamah and Abu Ziyad 'Iqar, testified that the property belongs to the apostate named [REDACTED] and they swore to that. The decision on this matter is up to you.

And may God reward you the best and benefit Muslims through you.
