Subject: A complaint

All praise is due to Allah, the Mighty, the Strong, and may blessings and peace be upon the one sent with the Sword as a mercy to the Worlds.

As for what follows:

To the sheikh, Abu Anas al-Wali, may God preserve him,

I am brother Abu Khattab 'Iqar [real estate member]. I would like to inform you about a complaint that was submitted to me because of a memo and a complaint that was wrong. Brother Abu Qatadah al-Amni [security member] wanted to submit a request for a generator memo, then I submitted to him a request memo. He wanted to transfer the generator from the security guesthouse to his family in al-Qaim, so I submitted the request to Abu Farah, but Abu Farah told me to cancel this memo because the orders he has say not to transfer the items from one district to another. So I canceled the memo and threw it in the basket because I don't have any paper shredder, as I collect the papers that I've damaged and throw them in the basket and burn the papers later. The brother who submitted the complaint delivered it in the wrong way. And whenever this person sees me, he says to me, "God willing, you will enter a camp and in front of the brothers." He repeated the same words to me several times. After he filed a complaint against me, whenever he sees me on the street, he says to me, "Forgive me," to make me feel that I am the one who complained about him. And may God reward you the best and benefit Muslims through you. I ask God to use us and not replace us.
