In the name of Allah, the Gracious, the Merciful

All praise is due to Allah, the Mighty, the Strong, and may blessings and peace be upon the one sent with the Sword as a mercy to the Worlds.

As for what follows:

To: The al-Furat Real estate Center
Subject: A response to a grievance

In response to brother Abu Faysal al-Shami's grievance, we investigated the issue of transgressing the property given to brother Abu Faysal al-Shami. We asked brother Abu 'Uthman al-Karbuli, the official of Aal-Jazirah Real Estate, about the matter. His response was that he handed over the property to brother Abu Faysal al-Shami more than two months ago, but the brother did not live in it, rather, he only visited it every week for hours. Brother Abu 'Uthman confirmed to us that he did not know that the property was taken by one of the brothers who broke the locks and lived in it without the knowledge of the receiving brother Abu Faysal al-Shami or the knowledge of brother Abu 'Uthman 'Iqar [real estate member]. And when we sent one of the brothers to the aforementioned property, he found one of the brothers in it and he was living in it after he broke its locks. When he was asked about how to live in it without the knowledge of the real estate, and that the property was given to a brother before him, he said that the brother Abul-'Abbas al-'Abbasi, the security member of al-Sha'fah, was the one who showed him the property to live in and told him that it was empty. And to God belongs all matters before and after.

Note: Knowing that every brother who is absent from the property delivered to him for a period of one month without a legitimate excuse, the Real Estate [office] withdraws it from him without referring to him.

And may God reward you the best and benefit Muslims through you.

The official in charge of the Western Sector
