Signature and stamp [blank]

-
1. With the pledge a brief summary of the lawsuit, printed on white paper of A4 size, should be attached for the judge to review, to be added to the lawsuit enclosures.
 2. The judge records the type and subject matter of the case on the front of the judicial classifier.
 3. The judge's clerk listens to the complainant and writes his case systematically. Hearing of witnesses shall be referred to the investigator, who shall be determined by the judge according to what is directed to him. This is repeated with the defendant while following up on the procedures carried out by the investigator.
