Summary of the Verdict: [After sitting with the complainant, it was found that she was living in the house of her husband's family, then her family went to Damascus, so she left the house of her husband's family and lived in her family's house. This has been the case for about a year and seven months. Since she is the niece of \[redacted\] cousin and \[redacted\] lives in her family's house when she returned to Raqqa a month ago, therefore, I have ruled that \[redacted\]](#)

should live in her cousin [REDACTED] in [REDACTED] family house, and her uncle [REDACTED] should return to his house. The brothers should take [REDACTED]'s house instead of [REDACTED]'s house. The house remains in this state and this verdict should be valid.
