## A Complaint

At the hour [blank] on Wednesday, 19/9/1438 corresponding to [14 June 2017], we, the official of the Office of Complaints at the al-Khayr Center, came before us their positions in the complaint are:

The Complainant		The Defendant	
Kunyah/Full Name	[redacted]	Kunyah/Full Name	Breaking in
ID Number	[blank]	ID Number	[blank]
Mother's Full Name	[redacted]	Mother's Full Name	[blank]
Place and Number of Registration	[redacted]	Place and Number of Registration	[blank]
Home Address and Phone Number	[redacted] – Next to the Municipality	Home Address and Phone Number	[blank]
Work Address and Phone Number	None	Work Address and Phone Number	[blank]

I, [redacted], would like to inform you that I live in my husband's house with my 6 children. My husband lives in Lebanon and the house is divided into 3 houses; two of which are surrounded by the same fence and use common service rooms. I live in the first one and my mother-in-law and my sister-in-law live in the second one. Five days ago, brothers came and lived in the third one without bringing any evacuation or confiscation orders. We, women and children only, live in the house because our husbands don't live with us. The brothers who live in the third house are men only and their house overlooks our houses. We live in villages where our houses are open to each other and it is not permissible for men to live among us. There is no objection to taking the house until my sister returns from travel, but we ask you to give it to a family or sisters, because the situation like this is not permissible. And if you are kind to us, we ask you to get them out of the house. And may God reward you the best.

The Official Response

It should be transferred to the Real Estate Judge because the complainants are women and the houses are not well covered. Also brothers live there without families and houses overlook each other.

Women have no objection for families to live in the house but not men without families.
