### Text of the complaint

In the name of Allah, the Gracious, the Merciful

I own a two-story house with a common entrance. The brothers came from a real estate [office] in Shawwal 1437 [July-August 2016] and took the second floor, claiming that it belonged to my son, who lives in Saudi Arabia. He was working as a technical observer in the Euphrates basin, and his name is [redacted]. Note that the house was occupied by the family, so the brothers took the key, entered the house and took all the furniture, including the bed of the little girl who was sleeping in it. Her mother held her so they could take the bed. So far, the house has not been inhabited by the brothers because the house is shared [with the ground floor], even with bathrooms. The brothers who came were Abu Malik and Abu Yazan, and they [worked] in the real estate.
