I bought a piece of land from [redacted] the brother of the defendant for 1,925,000 Syrian lira. Then, [redacted], the defendant, came to me and asked me, "When will you pay my brother, [redacted], what you owe him as the price for the land?" I told him, "Why do you ask this question?" He said, "Because I sold my car to my brother [redacted] which is a Honda taxi for the amount of 950,000 Syrian lira." Then I paid his brother, the defendant, the price of the land, and I don't know if [redacted] paid his brother the price of the car or not. This is what I know about the matter of the case.
