### Text of the complaint

All praise is due to God. After swearing the oath:

On 19 February, brother 'Abdul-Malik Marwan was driving a car type Koko and my son Hisham was with him alongside a group of brothers. They were returning from Sinjar and heading to Mosul. Near the Sular village, the car overturned. As a result, my son died and the rest of the brothers got injured. They all are brothers who work for the Islamic State. After questioning, it became clear that the person named 'Abdul-Malik Marwan had to pay the blood money of my son, Hisham because he caused his death.

Note: The complaint will not be taken into consideration if the complainant does not mention his information.

[The following sentence on the bottom of the page reads:]

When I asked for blood money, they told me that I should file a complaint through the Mujahidin Affairs' Office so that the blood money would be paid to me from the Muslims' treasury. Please look into my case, and may God reward you the best.
