Text of the complaint

On Monday, at around 10:30, a two-car security detachment raided us in al-Karamah Neighborhood. The two cars entered our street and there were two other cars at al-Karamah entrance from the 'Adan neighborhood side. They arrested my brother, Haydar Ramzi, born in 1999. I asked them, "Why are you taking him? What is the reason?" Then they arrested me and put a bag on my head. I told them, "I am a brother, how do you do this to me?" They got me out of the car at the entrance of al-Karamah from the 'Adan neighborhood side, and one of the security personnel, who raided us, told me that a detainee named Muhammad, and he is the one who confessed on my brother, knowing that I'm the one who reported it about him about two weeks ago. Muhammad's case is the theft of cars and motorcycles, and he carries a pistol in the area, and he does not work with the brothers. People know that I have reported about Muhammad, as I was with them unmasked when the brothers raided Muhammad, so people knew that I was the one who reported him. Then Muhammad confessed on my brother, knowing that my brother Hayder had never mixed with Muhammad.

Note: The complaint will not be taken into consideration if the complainant does not mention his information.
