In the name of Allah, the Gracious, the Merciful, and peace and prayers be upon the Messenger of God, his family and his companions.

As for what follows:

Four days ago, brother Abu Harith handed me 19,000 liters of diesel. After verifying the tank's measurements, it was found that it could not hold more than 17,100 liters, so I hope the brother will be held accountable for the rest of the quantity.
