Text of the complaint

All praise is due to God.

I asked brother Majid Abu Anfal to hand me over 40 sheep that were confiscated from the apostate Hasan (Popular Mobilization) in the Matantar area. After we moved the sheep to the village of al-Safina, they were confiscated by common people, specifically from a person named Ibrahim, and he moved them to the village of al-Mukhallat. I brought an official letter from the wilayat Dijlah to the wilayat Ninawa to take the sheep and return them to the wilayat Dijlah, but brother Majid Abu Anfal refused that and said, "I will not give you the sheep because you raided the house of one of the judges in the apostate government and that the person named Khalid, one of the Islamic State members, is looking for the car of this judge. If he had come with you, you would have spat in my face." Note that the sheep have been in his possession for more than two months and have not been handed over to the Livestock [Department].

Note: The complaint will not be taken into consideration if the complainant does not mention his information.
