Text of testimony: All praise is due to God. After swearing the oath.

After brother Khalaf and I shot fire [in the air] on the Ramadi's conquest, security personnel (the security of al-Fath al-Mubin Gate) came to us and wanted to confiscate our weapons, but we refused. Then they called one of the brothers, who was their emir [end of the page].

He came and ordered us to hand over the weapons. He said to us, "You have to listen and obey." Hence, I gave them my weapon type (Hungarian AK-47). Also did brother Khalaf Muhammad Khalaf, he handed them over his weapon (M-16). I was given back my weapon after paying a fine and punished by the military police but brother Khalaf did not get back his weapon.

How did you know about this? I was present.
