Subject/ The Repulsion of the Worshipers

In the name of God, and prayers and peace be upon him who was sent as a mercy to the mankind, our master, Muhammad, and upon his family and companions.  
To the Mosques' Committee or the party in charge of assigning [mosques] imams and preachers.

I am one of the residents of the Al-Khadra Housing apartments, on the Wilayat Ninawa's left side. The imam of the al-Mu'afa Bin 'Umran al-Mosali Mosque has repelled the worshipers from attending the mosque by casting bad qualities on the residents of the neighborhood and accusing them unjustly. The worshippers started not performing their prayers in this mosque, which is where God is worshiped.

(Whenever forbearance is added to something, it adorns it; and whenever it is withdrawn from something, it leaves it defective.) [Hadith]

The sermons of this preacher, who supposed to be preaching from the pulpit that our Prophet, may God's prayers and peace be upon him, used to preach from, have become only about the peoples talking (rumors). He talks about what this or that man said or did. If you visit the mosque, you would notice the lesser worshipers there.

The name of the preacher is (Muhammad Ibrahim Abu Abi).

I ask you to designate someone who is qualified to preach, advise people and endear them to the Quran and Sunnah.

And may God reward you the best of reward.
