Subject/ A complaint

I am the Muslim, [REDACTED]. I was trying to go through the al-Fath al-Mubin gate, during my trip to al-Jaban area to purchase barley, which we resell later in al-Yabisat area in Mosul, and this is how we make our living. When I reached the gate, one of the Islamic State soldiers, who works with the security, told us, "Do you want to go to the [Popular] Mobilization?" And he swore that that's what we want to do. We told him, "This is our route, we use to go to al-Jaban." Then he started mocking the brother, and told him, "You have such a long beard and you go to the Mobilization?" We said to him, "We will complain against you." He said, "I swear by God that if you complain, your will be imprisoned." Please take my complaint into consideration.

And may God reward you the best.
