Text of the complaint

All praise is due to God. After swearing the oath:

Two days ago, at 9:30 PM, and while I was driving my car with my uncle, my mother and 2 sisters with me, a person at Durat Baghdad checkpoint pulled me over. The reason is because I drove through the checkpoint. The Security member asked me to stop while the Islamic Police member signaled me to go. The brother in the Security thought that I was trying to ignore the checkpoint. He pulled me over and accused me of ignoring the checkpoint and that I'm reckless and don't have manners. [end of the page]

He dragged me roughly, causing scratches to my mouth. Then he cocked his AK-47 and pointed it at me. Then another person from the first checkpoint came, and took me to the emir, Abu Annah. That brother, his name is Salah and works for the Islamic Police, testified with me and said that I didn't do any violation. Then I was released by brother Abu Annah.

I only request to advise that brother who mistreated me. And may God reward you the best.
