Text of the complaint

All praise is due to God. After swearing the oath:

Yesterday, Friday, I wanted to sell my personal pistol type (Turkish 7 mm) and without ammunition, at a military equipment store in al-Dawwasah neighborhood, for the purpose of taking advantage of its price to treat my medical condition, as I have epilepsy. Then the person named Abu Faruq took the pistol from me, slapped me on my face twice, and threatened to arrest me... [end of the page] and take me to the intelligence. I informed the Hisbah who were present, but he refused to speak with them and left the place.

Note: The complaint will not be taken into consideration if the complainant does not mention his information.
