Text of the grievance

In the name of God, and prayers be upon the Messenger of God.
I used to work in the Economic Security. One day I went to [participate in] a battle in Ramadi. I stayed there for close to 3 months, but I haven't received my compensation for 2 months, as well as \$800, a bonus for booby trapping because I have good experience in booby trapping. For your information, I was wounded and I returned to the wilayah in a taxi that cost me 700,000 Iraqi dinars, which I paid for from my own money. I have an injury in my liver and a disease in my stomach. I am the only supporter of my family. I have two wives and 3 children and my house is rented, which I pay 125,000 Iraqi dinars for.
May God reward you the best.
