

In the name of Allah, the Gracious, the Merciful
Prayers and Peace be Upon the Master of the Messengers

Peace be upon you, God mercy and His blessings,

I, [REDACTED], the tenant of the building located in al-Tayaran Neighborhood, across from the Turkish Consulate, which has been used as a private school. Three weeks ago, I got surprised when the school door was broken by brother Abu Khadijah, from Diyala, and he lived in it with his family. At the time, the brothers of the Real Estate office were informed, and brother Abu Anwar accompanied me, but he didn't evacuate the school. Then I went to the police station in the neighborhood, but I didn't get an appropriate answer from them.

We need your help to evacuate the building from trespassing brothers so we can renovate it and prepare it for the next school year.

May God reward you the best.

And God knows the intentions the best.

Your brother
