Details of the Case

All praise is due to Allah, and peace and prayers be upon the Messenger of Allah, his family, his companions and those who follow him.

As for what follows:

Peace be upon you, Allah's mercy and His blessings

Based on the footnote of the wali sheikh regarding the grievance filed by brother (Yunis Ahmad Ali / with the kunyah of Abu Muhanad), which stated to summon the two related parties and clarify who is the mistaken one, we summoned the two parties. It has become clear to us that brother Abu Yazan, who works at the traffic police is the faulty one. Hence, the wali sheikh ordered to imprison the faulty brother for two days. The brother was punished according to the footnote. On the other hand, the afflicted brother should go to the traffic police [headquarter] to acquire a new registration because they know the details of the case.

And may Allah reward you the best.
