Text of the grievance

On the day of the Anbar conquest, I shot rounds in the air, same as other brothers did, celebrating the conquest of Anbar. I was stopped by a person, I don't know his name, who works at the General Administration. He stopped me at the al-Darkaziyyah Junction. He was in a gray Cerato Kia car without license plates. He took my Russian Kalashnikov weapon and my white Yiben motorcycle, size 150 with a big flag attached to the back seat. Brother Abu Zinah asked about the whereabouts of the motorcycle and said to me that 'Imad, who works at the Supplying, has it. I want my motorcycle back because it is mine and not a trust.
