

In the name of Allah, the Gracious, the Merciful

**Peace be upon you, God's mercy, and His blessings. And as to what follows:
To/ The honorable sheikh, the General Administrator, May God grant you
success.,
Subject/ A report regarding undisciplined soldiers.**

We inform you, may God Almighty guide you, that the center has obstacles with brothers that we have not seen any sales in the service of the center or providing any tangible services during the period of our receipt of work.

: Among the most prominent of them

1- Abul-Bara 'Abdul-Rahman: He is a soldier in the monitoring in the eastern sector. He did not leave any brother with him alone, either by harming them or talking bad to them. I tried to reconcile between them, but I saw for myself that he had problems and he did not accept a decision, not to mention the apparent harm against the employees and their many complaints about him. I consulted some of the brothers and decided to move him outside the department after your approval.

2- Abu Hayder al-Tunisi: He has never come to the headquarters until 17/11/1438 [9/August/2017], i.e. a week after he came under my supervision. I told him when I saw him: "haven't you been transferred yet?" He replied: 'You will not see my face, God willing.' Adding that he had misspoken with the administrator, Abu Sa'id Gharib, and had been late in handing over the debts in his possession. I really do not want him to work with me and I wanted to inform you so that everything becomes clear [to you].

3- Abu Abdullah al-Maqdisi: I sent for him more than once, and Abu Dujana informed him of this, but he did not bother himself with anything, even though he was an emir of a center and knew the importance of meeting and discussion.

Accordingly, our dear Sheikh, I see the need to expedite their transfer from the center after clearing his trust.

And our last prayers is all praise due to God, Lord of the creations.

Your brother, Abu Zaid al-Maghribi
