Content of Request

To the brother, the wali of al-Raqqah, may God preserve you. Peace be upon you, God’s mercy and His blessings. And as to what follows:

Brother Abu ‘Abud al-Furati works in al-Hisbah. His son named Khalid al-‘Abud. He is my neighbor and his house overlooks my house from behind. He and his son are always either on the rooftops or on the window. And when I went to his relatives in order to prevent him from standing on the window or on the roof, he came to me and said: “Why are you complaining about me in front of people?” He was carrying his weapon and both him and his son attacked me. Then, I went and complained against him at the Central Police Station and brought a witness to that. Then, he took a person named Taysir Kathayah to the Hisbah and hit him there, and he is now imprisoned in the Hisbah. He took him from the Central Police Station by force because he came to complain about him in the station. He threatened me in the Central [Police] station before him and said: “I will stand at the window and watch the house and whoever complains, I will hold him accountable and punish him in front of people without complaint. Help us, may Allah reward you.

And may God reward you the best.
