In the name of Allah, the Gracious, the Merciful

To the sheikh, the Emir of the Diwan, may God preserve him.

May God's peace and mercy be upon you.

It was narrated that 'Umar Ibn al-Khattab, the Emir of Faithful said: "It is better for me to dismiss one wali every day than to leave a wrongdoer in place for even one hour."

And ye fight in the cause of God to rule by God's Shari;ah and justice between people.

We, your brothers in the judicial police, are writing this letter to tell you about the injustice, favoritism, mediations and abuses that occur in the judicial police. We mention to you the problems that occur as follows:

First: Failure to implement sentences correctly, for example (the judge sentences crucifixion for 3 hours, and Abul-Muntasir says only two hours and sometimes one hour).

Second: The prisoners stay in prison for 3 days beyond their sentence. And when we told Abul-Muntasir, this is unfair. He said: "It's normal." Then he said: "Abu Abdullah Dalha is the reason."

Third: Not looking into the affairs of ill prisoners, and when we say that it is not permissible for him to do so. He says: "They are liars." Knowing that there was a very sick prisoner, and the department called us for the prisoner, but Abul-Muntasir did not respond and said he was a liar.

Fourth: He doesn't do ribat in the headquarters when the alert was 100%.

Fifth: Not being present at the headquarters on the pretext that he is working and going to the prisoners, while [the truth is that] he is in the industry [neighborhood] to repair the car, for not a necessary breakdown. He goes home, and when we ask him, he says: "I was at work." And when we say to him: "What about facilitating the affairs of Muslims?" He says: "He can come tomorrow, it is not a problem."

Sixth: Disrespecting the common people [citizens], shouting and insulting them.

Note: This report was submitted to the Wilayah Judge, may God protect him, but nothing happened.
