**In the name of Allah, the Gracious, the Merciful**

To/ The Wali of Raqqah  
Subject/ Clarification and Explanation

All praise is due to God, and peace and prayers be upon the Seal of the prophets.  
And as to what follows:

The honorable brother, the Wali of Raqqah, may God preserve him.

Peace be upon you and God's mercy and His blessings

We ask God to make us and you among those who serve his religion and make us  
and you firm until we meet Him. And as to what follows:

In response to your memo No. 5501, regarding the grievance of the brother/  
Mustafa Muhammad Salim, claiming that he was not allowed to leave the land of  
Islam to the land of unbelief because he was driving a private car, we say, with the  
help of God:

The exit of merchants, patients, or one who entered as a visitor to the land of Islam  
without a car and wanted to leave with a car, the prohibition came from the Public  
Supplying Committee, unless there is an exception.

As for those who entered as a visitor, the ban is from the Chamber of Commerce  
and Industry, and we send you a letter from the Public Supplying on what cars are  
allowed and what cars are prevented from leaving. We also send you a report from  
the brothers in the Travel Office in Raqqah, regarding the claim of Mustafa  
Muhammad Salim, so that you find the vast gap between what the named Mustafa  
Muhammad Salim mentioned and what was stated in the report of the brothers,  
may God protect them.

Knowing, may God preserve you, that you are obligated to enforce any memo by  
the Diwan of Health, the Chamber of Commerce and Industry, the Prisoners'  
Committee, or the walis. You should also keep in mind that there might be some  
misjudgment on the part of the brothers.

Thus, if something reaches you that is contrary to this, you should consult. God  
bless you and all praise is due to God, Lord of the worlds.

And may God reward you the best.
