In the name of Allah, the Gracious, the Merciful

To/ The mujahid brother, the emir of the Hisbah Center in the Wilayah, may God help and guide him
Peace be upon you and God's mercy and His blessings

All praise is due to God, and peace and prayers be upon the Seal of the prophets.
And as to what follows:

We ask God to make us and you among those who serve his religion and make us and you firm until we meet Him.

Subject: In response to the complaint submitted against me, by the person named Ismai'l Khalil, with whom brother Abul-Layth al-Jazrawi came to the Hisbah office in the market. I, Abu Mahmoud al-Homsi, was in the office receiving the violations, meanwhile, brother Abul-Layth al-Jazrawi entered, asking, in a loud voice, for the emir of the office. I told him: "The emir is not here, he is at rest." Brother Abul-Layth said: "Ask him, via the radio, to attend. I want him." I told him, "He is on his break." And he said to me, "You and your ilk are the reason victory has been delayed." And he started talking [badly], and I never responded to him, so as not to clash with him, while he continued to speak in a loud voice. Note that the brother Abul-Layth, according to what he said, wanted the identity of his wife's brother and wanted to know what happened between him and brother Abul-'Abbas. Meanwhile, brother Abul-Bara al-Jazrawi entered.

We ask God to grant us and you success and guidance.
