Subject: Security Directive
Number: 1
Date: 5/1/1428

The peace of God and gracious be with you, welcoming you here, We ask God the almighty with nothing but blessing and wealth to you and the entire Um'ma.

1. We understand the importance and sensitivity of your work- Though- with -God's well- we will not relent on offering you the most convenient climate, with that we ask you to trust our brother as much as we can.
2. It not a secret according to Hadieth (Muslim's have clause) every clause between two Muslims and Shariea did not dissolve it will be agreed upon between the two side (law's and Religious) the disloyal is a sinner, similar to the contradictory of the pledge. Any agreement is a pledge between two side, thus he put him self in a situations of defeat and what has he earned from Jihad, due to his breach to Islamic law (Shariea).
3. All guest have to respect their housing place, and the vocative are defamed to the customary and Shariea.
4. Obedience to the Amir is a must, except if he ask you to sin, yielding to all his directive in every aspect especially to in issue that dose not part of Shariea., giving any orders are entrusted to the Amir, and if he committed mistakes, his rewards will once or twice, but obedience are elementary.
5. Obedience in that aspect are the doorway to you're rewards, our gracious God order us to be more than trivial and he will double our rewards more and more, their no better way to come closer to God than doing your religious obligations , and the source of the Hadieth (An invasion are to be concedes two invasions: and the one who seek our Gracious God and yield to the Imam (Leader) and spent with liberal, lenient with his partner, and avoid corruptions, His sleep and attentions are his rewards..... Abu Daoued, Alness'aie and he is correct) and with that he will get his merit.
6. After you have recon the place and have spent enough time to acclimate your self and get a general knowledge and what he has learn and our capabilities. And if you did not adapt your self with our clause, please notify us no later than 24 hours from reading this message, to secure a pass way of travel to another safe home and will be the responsibility of another brother and will he will be released from his clause. Starting with and I mean " no one will be allowed at the home if he did not agreed to the prior clause noted before"
7. And for those who will continue in our hospitality, accepting the above clause are part of the rules, thus I say if he accepted the clause, yes or no? The root of it has to be agreed upon by the security person in charge, because if you look to the different between sinning and virtuous. Sinning will be victories at the hand of the scholar and the jurist.
