To the honorable (Abu Hamza) may God protect you.

On behalf of self and my fellow mujahdeen brothers in Ansar, I extend my utmost greetings.

The Peace and mercy be with you

At the beginning I ask God the almighty to grant his blessing and rewards with the greatest gift, and place you in paradise with all the prophets, martyrs, the chosen one, you are worthy to be among them, Amen... Please forgive me for my delays to respond to your letter.

In accordance with the words of the almighty” O ye who believe! Obey God, and obey the apostle and those charged with your authority among you if you differ in any thing among yourselves, refer it to God and his apostle. If you do believe in God and the last day: that is the best, and the most suitable for final determination.”

My honorable brother,

I am in receipt of your letter, which is a sign of love and brotherhoods and compassion, which is the most important thing in Islam, which required from us to work together and to bond our efforts as Muslims, By God I wish to you all the blessing as much as I wish it for my self, and I hate that you be touched by evil work as much as I hated for my self. I wish you nothing but the love of God and his apostle and the most I hate for you is to be in defiance to God and the apostle, because if done so you will be losing your life now and the final days.

We are in a time, that discussing our problems and issues are critical, as you have noted in your letter my God blesses you, especially for what we have suffer from the enemy of Islam by cunning and deceptions and what they have done to deceit us from our mission of Jihad and the amount of poison they have infiltrated among our lines, and what they wish to our Islamic Ummah. They have done every thing possible to make us doubt our Jihad and to cause us waver against our Islam. We can not allow our Muslims which are our children and bothers to be decided by the liars or the squanderer who are leading us down the wrong pass.

These is our curriculum from the beginning and I think you are on agreement with us, but due to the current struggle and fight we were forced to be divided to groups, but even with that change I don't think it will effect our hearts or curriculums.

Dear brother..
