Our Chosen Answers for the Latest Bombing Turmoil

We thank God the almighty and seek his help, we ask him the forgiveness form our sin and our wrong doing, he is our guidance, but who try to stray will not have a guide. I bear witness that Muhammad is Allah's messenger and the chosen one among man kind he deliver the message and advice the Uma'h and clarify God to us from darkness. He left the road of night for us clear from darkness and lighted.

To whom who are looking for what has happen to us in this difficult time , from turmoil and strife on this holy land , we will see the wonder of wonders, we will see the spread and increase of turmoil and mayhem among our Muslim brothers, a turmoil that will cause nothing but great problems. But unfortunately it was accepted by our youth our Mujahdeen whom were seeking the righteous path but took the wrong way and mean, they took the mission of repairing ailing house from inside after it was condemned.

The Almighty said "concealing themselves behind others. Let those who disobey his orders beware, lest some trial befall them or a painful punishment be inflicted on them" AN-NUR 24:63

And the almighty also said "Should you have a dispute in anything, refer it to Allah and His Messenger, if you truly believe in Allah and the Last Day. This course of action will be better a more suitable" AN-NISA 4:59

Thus we have to go back to the original way of judging among the Muslims by using the book of God and to the Sunna'h of his prophet may the prayer be upon him.

Those Mujahdeen whom asked for the honor and the corrections to their Muslim community have not arrived to the final destinations of the road due to the increase of immorality and turmoil thus you have use the Shariea as your way of correcting your Um'ma.

The almighty said "Call *people* to the Way of your Lord with wisdom and best advice, and reason with them, *if you have to*, in the most courteous manner: for your Lord knows best who strays from His Way and He knows best who is rightly guided" AN-NAHL 16:125

**Where have we lost our wisdom by destroying those commercial shops?
Where are the preaching and the advice? Dose the explosions will be**

before or after? If it will happen before where are the invitations? Do they have the right for what they have done? Did they understand the words (Hadieth) of the prophet Muhammad may the prayer be upon him?

“If you see an awful act corrected by your hands, and if not use your words, and if not use your heart, and that will be the least thing you can do” It was said by Abu Muslim.

Then doing the correct act and avoiding the awful act have to be followed according to Shariea and not according his wants or needs.

The Muslim have to follow those steps to avoid any awful act:

First: Avoid any awful act and replace it by nothing but a good deed.

Second: Reduce any awful act, or remove it totally; dose these what have they done? or try to reach? The above will never be reached if the Muslim's refused to go back the scholar's to understand the difference between good and bad.

As he said “Whenever they hear news of peace or of danger, they spread it quickly; but if they would report it to the Messenger and to the responsible people in the community, it would come to the knowledge of those who could draw the right conclusions. If it had not been for Allah's grace and mercy, all of you with the exception of a few, would have followed Satan”

Finally I say to our Salafi Mujahdeen youth the followers of our prophet Muhammad may the prayer be upon him in the Army of Islam. Whom they think changing and correcting the currant situations will not be through the attacks on the Christians crusaders and the Jews and whom are infidels living in every corrupt place in the world, and for those whom accusing the Army of Islam with the latest explosions to the corrupted area, I say we are not part of it because we are occupied with most important missions and plans of destructing the enemy of God form Christians crusaders and the Jews.

For those whom accusing the Army of Islam with latest attacks from thefts and attacks on commercial stores and killing for some of the disobedient Muslim, I say we are innocent and we nave no relations with any such attacks and we are also warning whom have done it be aware of God's punishment and do not hide the truth.

We say to them what has been said before by Abd-Allah Bin Omar may God accept him “When he was notified about those who spoke of fatalism , he said let them know I am innocent from all their acts” (Shariea to Garie)

To those men, who lacks the knowledge of Shariea and who pretend nothing but names to deceive the youth of Islam.

The Army of Islam are innocent from any thing against Shariea, we at the Army of Islam warning whom trying to destroy our Shariea and part of it the latest attacks and vandalism's , we will not stand silent to your acts and to any one abuse Shariea and part of it the Army of Islam. We are working according what was said by Abu Baker Bin Ayash my God rest his soul, when he was asked about the Sunna'h " TSC: No meaning to this part of hadieth"

**God is our helper's and for him we ask
For him we pray he is our Almighty**
