To Whom It May Concern:

We bear witness the SHEIKH ABDULHAMID, the emir for the ROHANJIA ISLAMIC FRONT (ARAKAN, BURMA) (R.I.M) is one of the Mujahadeen brothers that played a key role in the jihad in Afghanistan.

They lead some of the ferocious battles against the Soviet Forces. It is worth reminding that the SHEIKH and his comrades in the front are amongst distinguished scholars, and that he intends to liberate his country "ARAKAN" from the Burmese Enemy Forces. He has already formed an Islamic Front headed by the main speaker of the mosque, AL SHEIKH AMIR AHMED, Allah the Great make him victorious. He trained many of the brothers on the use of advanced weapons in the "SALEEM CAMP" that the Front established inside Afghanistan and some of the brothers from it (TC: the Front) participate in the KASHMIRI JIHAD side by side with the Kashmiri brothers under the MUJAHADEEN ASSOCIATION FOR BOTH JAMUN and KASHMIR and THE PAKISTANI ANSAR MOVEMENT.

The front is working on saving the "ARKANI" Muslim brothers from death. They are currently refugees in the camps that were established for them at the Bengali borders where sickness, disease, hunger and ignorance are rampant. The front also aims at expanding the Islamic "DA'WA" (missionary) amongst the Muslims inside Burma. Because of the existence of these brothers- the members of the front- and their undertaking of charitable works, we pray that God gives you more faith and to make you successful in the sake of their religious, their people and their UMMA's well being.

We pray that all the charitable Muslim brothers will help them with whatever monies, charity, "ZAKAT" (Muslim tax) and general donations that their souls can summon.

May peace and Allah's mercy be bestowed upon you

Your brother in Allah

Praise be to Allah, the Lord of the Universe and peace and prayer upon the Master of the Prophets and Messengers, MUHAMMED BIN ABDULLAH, the trustworthy and all of his relatives and disciples and then,

I am well aware of, and have direct contact with, the organization, “The Islamic Jihad Movement of Bangladesh.” I bear witness that it is Islamic Jihad Missionary Organization comprised of deeply driven and motivated youth who are willing to participate in the Jihad for the purpose of preserving the religion. These youths uprooted the foundation of the Russian oppressors and their forces and their thrones and shook the Earth beneath them in the battle for Afghanistan.

Their courageous steps have extended beyond the liberation of Afghanistan to Occupied Arakan – Burma – particularly. They also operate in various oppressed regions such as Bosnia, Tajikistan, Occupied Kashmir, against the infidels and atheist aggression.

The people of this organization believe that Jihad the only way to reclaim the rights of the Muslims from the grip of the monsters of humanity and their claws and to save the oppressed from amongst the sons of this religion from all corners of the Earth. The emir (chairman) of this organization is the honorable professor MUHAMMED ABDULSALAM MATHAR ALI / known to us as a leader and MUJAHID and we don't favor him before Allah. He participated in the Afghani Jihad continuously for several years.

It is worth mentioning that this organization also performs humanitarian work for orphans, widows, and families of martyrs as much as possible.

Muslims must support this movement and fulfill the needs of the Jihad and the Mujahadeen for the sake of Allah – Allah preserves the reward of the Good Doers and the charitable to extend a helping hand to her, morally and financially. Allah does not neglect the rewards of the Good Doer.

His Excellence, doctor ABDALLAH OMAR NASEEF – General Secretary of the league of the Islamic world- May Allah protects him with goodness.

Peace and the Blessings of Allah Be Upon You:

Henceforth, the ISLAMIC JIHAD MOVEMENT of BANGLADESH is a Jihad and "DA'WA" (Missionary) organization that operates in various regions in order to serve Islamic issues, such as the issue of Kashmir and Burma, and the oppression of Muslims in India and the struggle in Bosnia and Herzegovina at the level of Bangladesh. I personally witnessed some of the signs of this when I visited Bangladesh in early 1413 (Hejira.).

They also carryout some relief work as much as they can among the orphans, the widows, the families of the martyrs and the Mujahedeen.

They also train the Burmese and Indian Moslem youths to struggle against the oppression of the Buddhist communist and the infidel Hindu.

The movement is in bad financial condition and in need for your kind generosity. And in need of an immediate generous support from your highness. May Allah keep you for "DA'WA", Jihad and Islam. May Allah support Islam through you and his people, and may he support you through religion. May Allah keep you blessed – May Allah besets his peace, mercy, and blessings upon you.

To Whom It May Concern

I have a direct knowledge of the Islamic Jihad Organization in Bangladesh. It is an Islamic organization established for the purpose of missionary work among Moslems. The emir of the organization is Sheikh Mohamamd Abdul Salam Mazhar Ali. He is known to us as a leader and Mujaheed. We may not recommend any one above Allah.

This organization is known for its great glorious deeds during the Islamic Jihad in Afghanistan. Their Jihad operations extended to several oppressed countries as Burma (Arakan), Bosnia, and Tajikistan. They still carry out heroic missions that rock the thrones of the infidels in these parts of the world. I have witnessed great sacrifices for the

Mujahedeen of these organization, which was established for the purpose of defending the lands of Islam as one of its most important goals. In the current time the organization is struggling against occupation in the occupied land against communist Buddhist oppression.

The organization carry out relief work as mush as possible to help the orphans, the widows, and families of the Martyrs. They also work in the missionary field such as sending delegations, organizing lectures, publishing a newspaper, magazines, etc.

Therefore, we exert our brother to give financially and morally for the support of the organization, and help this sincere organization carry their duties.

Allah never loses the rewards of the givers.

To Whom It May Concern.

Thanks to Allah the God of the Universe, prayer and peace be upon the most honorable of all prophets and messengers, Mohammad, on his family, and on all his followers, and then:

I want to recommend “The Islamic Jihad movement”, but I would not recommend bno one but Allah.

It is a Jihadi organization, on of its goals is to carry jihad and Daawa through a diversified fields all over the world, and to revive the Islamic Jihad spirit inside in the Moslems the right way. To help Moslems to carry Jihad based on faith and work with relying from the inside on wisdom and the outside on equipment and weapons.

This organization believe that Jihad is the only path to raise the word of Allah, and the only way to return back the glory of Islam as it was in the past. As Allah said “ if people denied their Dinars and Derhams for the sake of Allah, and neglected the Jihad for Allah, I will humiliate them and will not spare them humiliation until they examine their faith (meaning their Jihad). This Hadith was narrated by Ahmad – and confirmed by Ibn Al Qatan. This hadith is also confirmed by Shaikh AL Zahabi – This organization includes also a number of young people zealots for Islam. They have various precedents and sacrifices in protecting Islam during the Afghani Jihad against the Russians and communists, until Allah granted them victory. Now the organization is working in different fields such as Kashmir, Bosnia & Herzegovina, and other occupied areas. This Organization have a very important branch in Bangladesh – called the Bangladeshi Islamic Jihad ... their goal is to frustrate the draconian and violent measures and the expulsion and dispersion against the “Rohangees” Moslems by the Burmese Buddhist Communist.

The organization is also known for their work among the orphans, the widows, and the families of the martyrs. They also support the Mujaadeen as much as they can. It is the source of our joy that his Excellency brother / Mohammad Abul Salam Mazhar Ali, he gave every precious and valuable for the Jihad in Afghanistan for long years. He is also the head of the Bangladeshi Islamic Jihad. He does his work efficiently, he is a capable. He is a qualified and capable Emir. This movement needs a brotherly support and financial backing. I ask myself first, other Moslems, and all Islamic organizations not to spare any effort to help this faithful organization, for Allah do not waste the reward of the givers.

In the Name of Allah Kind and Most Merciful

The Islamic Jihad Movement in Bangladesh, is a Jihadi D'awaa organization that has a strong effect in Afghanistan. Most of the Mujahedeens in the organizations participated in Jihad against the Russian forces in Afghanistan, thirty two Bangladeshi youth martyred until victory. They brought back the glorious days of Islam once more to the Moslem people in the Moslem world.

The organization is currently working on large scale in the battle of Arkan (Burma) against the infidel Buddhist powers. The government of Burma was shaken because of the successes of the Mudjahidine. We hope for the better lighting future in the near future "It is not beyond Allah".

For that reason I recommend the "Bangladeshi Islamic Jihad Movement" under the leadership of Mr. / Mohammad Adul Salam Mazhar Ali, because Jihad is the only mean to save Moslems from the problems that faces them.

The organization conducts some rescue operations to benefit the poor and disenfranchised and takes care of the Martyr's families who died in various wars. She played a distinguished role in the field of Islamic "Da'awa" and the propagation the pure ideology of Unification in accordance with the Book and the "Sunnah". But, she does not have fixed means to cover its expenses.

We wish from the Good Doers to extend a helping hand to her, morally and financially and fulfill the needs of the Jihad and the Mujahadeen for the sake of Allah – Allah preserves the reward of the Good Doers and the charitable. Allah will help.
