Dear Lalak, peace be upon you.
Stop your people from bothering the local people, they should do everything according to Shariat [TC: Islamic rules]. The people are upset from your people. Please talk to your people as soon as possible.

Sincerely

Afghanistan Islamic Emirate
MULLAH Mohammad Yunus ((Aatif)) Center Room

To all the Muslim people, don't work for the government and don't be the puppet of these infidels. You all have to completely stop having any relationship with the infidels; we are aware of everything and if you do not stop working for the government or the infidels then you have no right to complain about facing different kinds of punishment.

Sincerely

MULLAH Azim Khan
